ENGLISH MENU

LOUNGE BAR · CLUB · CONCERTHALL

You already know that we are the world's best store. And the award-winning live music up in the club and the hall, you definitely must know about. No? But you can always check it out, for example, at the Monday jazz session. Screwing around and coke are forbidden in this store.

Whoever causes trouble has to deal with the bar manager, Olli. She is sweet, but only sometimes understands fun. Updates you can find on our website, social media and the other modern stuff you can find on your own. Check! Enjoy your time here and have fun - we are excited to meet you! **Reservations for the bar only via email at bar@domicil-dortmund.de**
